College of Information Science

Ph.D. Student Annual Review

Name:		Admit Term/Year:	
Email:		Year Under Review:	
Chair or Main Advisor:			
Committee Members: (Include Department if member is outside of the College)			

COURSES TAKEN

Transferred Credits: Students with a master's degree in information science or a related field may transfer up to 12 hours of graduate coursework, as approved by the Graduate College. Students need to submit credit transfer request via GradPath *in the first year of the program*. If you have transferred required courses, please indicate that they are transfer courses on the sheet below. Justify all non-graduate level courses taken this past year; Justify all courses taken beyond the required number. Add extra sheet as necessary. Refer to degree requirements at <https://infosci.arizona.edu/phd-information/curriculum-courses> for details.

Requirement	Course No.	Course Title/Instructor	Units	Term/Year
First Year Course 1	INFO 507	Information Research Methods	3	
Research Methods				
Research Methods				
Graduate Seminar 1				
Graduate Seminar 2				
Directed Research 1	LIS/INFO 692		3	
Directed Research 2	LIS/INFO 692		3	
Directed Research 3	LIS/INFO 692		3	
Elective Course 1				
Elective Course 2				
Elective Course 3				
Elective Course 4				
Minor Course 1				
Minor Course 2				
Minor Course 3				
Minor Course 4 (if required)				

MILESTONES

Milestones	% Completed	Expected Completion Term/Year	Outcome
Pre-Existing Masters (if applicable)			
Course Transfer Request Submitted (GradPath; if applicable)			
Plan of Study Filed (GradPath; due by end of 1 st year)			
Methodology Requirement			
Required Coursework (seminars + directed research)			
Elective Coursework			
Comprehensive Exam			
Dissertation Proposal Defense			
Dissertation Credits (INFO 920)			
Dissertation Defense			

ANNUAL PARTICIPATION

Students are expected to:

- **Every year in the program:** Attend or participate in **at least six (6)** research presentations (Colloquia, Conferences, etc.).
- **After completing exams:** Give a public research-related presentation each year.
- **By the time of defending the dissertation:** Make two (2) primary-authored submissions to conferences, journals, or other academic venues (papers, posters, demonstrations, or other research outputs).

Category	Citation or Brief Description (include dates)
Received College of InfoSci Ph.D. student travel or research grant? If so, describe the outcome generated from the fund	
Conference Participation(s) (Attending conferences, research talks, seminars)	

<p>Research Presentation(s) (Giving individual or group talks at conferences, seminars, presenting posters)</p>	
<p>Research Publication(s)</p>	

If there is not enough room on this form, please attach an additional page with any participation that does not fit here. Please also include any scholarly events attended, even if not presenting.
